PROCLAMATION

WHEREAS the President of the United States has designated May 1 as Child Health Day, and invited the boys and girls of the nation to use this occasion to gather with parents, teachers, and other citizens, or by themselves, to consider how we can improve health conditions in our homes and communities; and

WHEREAS the young people of South Dakota are eager to accept the responsibility of helping to improve health conditions in the state;

NOW, THEREFORE, I, M Q Sharpe, Governor of the State of South Dakota, ask that South Dakota boys and girls organize public forums, prepare programs for presentation in their schools, churches, and other community centers, for the purpose of determining ways and means of promoting better health conditions in South Dakota. Further, I challenge the boys and girls in every community in the state to map out at least one major job which they can undertake in the coming year to improve health conditions in their own community.

IN WITNESS WHEREOF I have hereunto set my hand and caused to be affixed the Great Seal of the State of South Dakota, this 6th day of April 1944.

M Q Sharpe
